U.S. DISTRICT COURT

MID. DIST. DENN.

UNITED STATES DISTRICT COURT

801 Broadway
Nashville, TN 37203July 24th, 13

(1-of-2)

I WAS placed on Protective Custody (P.C.) for acquiring about a person that has Hepatitis C, possibly HIV which this person WAS forced to be housed in 2C-304 which is the living quarters that I've resided in while I been in Sumner County Jail since April 6th, 13. I - acquired to the officer Compton who was working that day of July 24th, 13 if this person did in fact have these diseases that I couldn't house with him due to health risk. Off. Compton talked to LT. BEAN, Sgt. Stults who advised him (Compton) to lock me down in a solitary situation for my own protection.

I had my girlfriend call this jail on the night of July 24th, 13 and she was told that I had to request to be took off of Protective Custody...

I went to visit at 10:00 am on July 25th, 13. The people who came was my mother Patricia Ann Roper, my son Alexander Guerrero, my girlfriend Sarah Gregory. Both my mother and girlfriend was told that I would

be taken off once I requested to be
took off.

It was stated to my family that
I was put on Protective Custody
Also because I was a threat to myself,
others. While my stay in Sumner County
jail I neither caused harm to no one
or nor have I threatened myself, or
anyone.

I've wrote on the Kiosk tracker
machine that I would like to be
removed from Protective Custody and
I'm denied by LT. BEAN, Sgt. Stults..
Which comes to this complaint of
being targeted with prejudice, and
retaliation of prior lawsuits from
past of being biased against due
to my religion of being a muslim.

Protective Custody is for purposes
of possibly being put in harms
way by someone, or in vice versa
harming someone. I fit neither of
those requirements.

I feel I'm being punished
discretely with Protective Custody

BECAUSE I ASKED ABOUT WHETHER A PERSON WITH Hepatitis C, AND POSSIBLY HIV BEING HOUSED IN A SECLUDED CELL LIVING QUARTERS WITH ME. I'M ONLY CONCERNED ABOUT MY HEALTH ISSUES, AND POSSIBLY CONTRACTING A FOREIGN DISEASE THAT COULD BE DETRIMENTAL TO MY HEALTH, OR POSSIBLY MY FAMILY'S HEALTH UPON MY RELEASE FROM JAIL.

There is a medical unit in Sumner County Jail which is where someone in his status should be instead of with people who could be vulnerable to catching this foreign disease.

DUE TO ME ACQUIRING IF THIS IS LAWFUL I'VE BEEN LOCKED IN MY CELL ON PROTECTIVE CUSTODY FOR PROTECTION OF NOT CATCHING THIS DISEASE BUT THE OTHER 40 INMATES ARE ABLE TO STILL REMAIN OUT IN POPULATION... I'VE BEEN BIASED AGAINST, LOCKED IN A CELL FOR PUNISHMENT FOR ACQUIRING HEALTH ISSUES.

DUE TO THESE NOTICEABLE

prejudices I'm seeking A lawsuit
for pain, suffering: by not able to
call home when I want, being
isolated for punishment because
of Acquiring about health risk. I'm
not able to sleep from stressing
whats the real reason for being
biased against.

I'm seeking lawsuit for Abuse of Power:
Due to me being inmate I'm sustained
to have to accept the Abuse of
being treated any way due to me not
being able to defend myself for
whats right and its stressing my
thoughts which makes me lose sleep.
Its possibly retaliation for past
lawsuit for religious reasons.
